

Our goal is to engage young professionals and the business community through membership, community involvement, meaningful connections, embracing diversity, and leadership.

## ENGAGE

### MISSION

To engage, connect, and serve as the collective voice for young professionals by providing emerging opportunities for leadership, employment, and community building. To actively attract, retain, and develop a vibrant and collaborative network of young professionals in Manchester.

### VISION

MYPN seeks to foster an environment where young professionals lead, create, innovate, and influence their surroundings.

Our goal is to provide our members professional development, mentorship and life skills, and educate the community about why Manchester is a great place for young professionals.

## EDUCATE

Our goal is to be the expert on the needs of the young professional community and serve as their collective voice on important issues.

## EMPOWER
